## Employee Relations

We hope to help with strengthening the employer-employee relationship through measuring job satisfaction, employee engagement and resolving workplace conflict. At PARKER HR Solutions, employers can be rest assured that all labour relations functions like developing management response to union organising campaigns, negotiating collective bargaining agreements and rendering interpretations of labour union contract issues.

### **Thinking of implementing successful employee relations and engagement strategies?**

Let's help manage issues like handling workplace stress and improving productivity, handling difficult situations and creating meaningful work environment.
